

There'll Come A Time

The Firehouse Jazz Band

Composer information is vague. One source lists "Miller", while another lists "Manone & Mole". (Presumably Wingy & Miff). ??
 Not to be confused with Shelton Brooks' 1911 song with the same title.
 Rec: Frankie Trumbauer Orch. (Bix, J. Dorsey, Lang, Rank, Leibrock, etc.) 1928, Red Nichols recorded same title also in 1928.

Similar to the Trumbauer/Bix version, but with the orchestrated Eb section omitted.
